

# Attention Wallasey!

Have **YOU** been asked about the new cycle route?

## The story so far:

The Town Hall and 'City Region' are planning to install segregated cycle lanes. They promised to deliver a leaflet to 30,000 homes about their plan.

So far, nobody has said they have had the leaflet, even though the first 'consultation' has now ended.

That's why we have taken out this advert. We believe you have a right to know.

Local Conservative councillors Ian Lewis, Lesley Rennie and Paul Hayes are calling for the plan to be scrapped. Instead, the Town Hall should go back to the drawing board and ask you for alternative ideas first, such as improving existing cycle routes.

## What YOU can do:

1. Visit our website for more details and to sign up for email updates from us:  
[www.wallaseyconservatives.com/cycling](http://www.wallaseyconservatives.com/cycling)
2. Contact your three local councillors by email or phone - find their details at  
[www.wirral.gov.uk/councillors](http://www.wirral.gov.uk/councillors)
3. Share this information with your friends and neighbours and on your own social media such as Facebook and Twitter.
